

CAR WASH SILICONISED

Car Wash Siliconised has been especially formulated to leave a protective silicon coating on the surface to protect against dust, grime and pollution.

This car wash will remove dirt and oil and leave a shiny finish, especially when wiped over with a chamois after washing. Designed for economical use, Car Wash Siliconised is a concentrated formula that will not harm duco or chrome. Car Wash Siliconised has a beautiful pink appearance and will help bring out the shine on your pride and joy.

FEATURES & BENEFITS

-  Won't harm duco or chrome
-  Bright and shiny finish
-  Leaves protective coating
-  Biodegradable and safe to use

DIRECTIONS FOR USE

Recommended Dilution: Dilute 20mls per litre of water.

Dilute in a bucket of warm water, apply to car or truck with a sponge or cloth. Rinse foam from car before it dries.

Not to be used for any other purpose. Do not mix with other chemicals.
