

SHINE 'N' BRIGHT

Shine 'N' Bright is a silicone polymer product that will leave a protecting coating and shine to all hard surfaces.

It will leave a protective coating on items such as tautliner curtains, and concrete mixing bowls. This protective coating will stop road grime from sticking to the surface of a vehicle making it easier to clean. Shine 'N' Bright is perfect for spraying tyres and bumpers to give that fresh detailed look to your vehicle.

FEATURES & BENEFITS

Leaves a shiny protective coating

Great on truck and car tyres and bumpers

Suitable for dash boards and other interiors

DIRECTIONS FOR USE

Recommended Dilution: Use neat.

Simply spray on Shine N Bright and Wipe off excess with a damp cloth. Do not use near naked flames as product is flammable until dried.
