

LIQUID LAUNDRY

Liquid laundry has been especially formulated for both industrial and household use.

The formula is fragrance free and will remove dirt and minor stains in the wash. Liquid laundry has a low foaming formula that is suitable for both front loaders and top loaders as well as hand washing applications. Liquid Laundry is very low irritant and safe for most skin types and provides excellent washing performance for various fabrics.

FEATURES & BENEFITS

Economical everyday detergent

Removes dirt and stains

Suitable for top and front loaders

Suitable for hand washing

DIRECTIONS FOR USE

Front Load Machine: Use approximately 85mls.

Top Load Machine: Use 125mls for full loads and reduce for part loads.

Industrial Laundries: Use at a dilution of 2-5% depending on degree of soiling.

NB. DO NOT put liquid directly onto clothes, pre-dilute first.

FIRST AID & SAFETY

Considered a hazardous product as this product is mildly alkaline and will irritate the eyes. Avoid contact when undiluted with the skin. Wear gloves and eye protection when handling. Keep out of reach of children. If swallowed seek medical advice. If poisoning occurs contact a Doctor or the Poisons Information Centre. If swallowed do NOT induce vomiting, give water. If skin contact occurs wash affected area and remove clothing. If in eyes, hold eyes open and flood with water for a minimum of 15 minutes. Call a Doctor.
