PRODUCT INFORMATION SHEET

ECONOMY LEMON DETERGENT

Economy Lemon Detergent is a biodegradable, phosphate free liquid, suitable for all household and industrial dishwashing of glasses, pots, pans and other utensils.

Economy Lemon Detergent is suitable for all general cleaning and is suitable for use on all types of surfaces. It is a is high foaming and particularly suitable for all general cleaning, especially where the removal of oil and fats, without the use of specialised cleaning equipment is desired. Economy Lemon Detergent contains a fresh lemon fragrance and provides great performance in high use areas including café's, kitchens, holiday cabins and of course your family home.

SEPTIC TANK SAFE

FEATURES & BENEFITS

- Biodegradable
- Suitable for household and industrial
- Economical
- Versatile

DIRECTIONS FOR USE

Recommended Dilution: 100mls per 10L of warm water.

Scrub or soak the surface to be cleaned, for better results always use in conjunction with warm water as this helps to soften baked on particles. Wash with dish cloth, sponge or brush and rinse food contact surfaces with fresh water before drying. For floor washing and surface cleaning, in a bucket dilute 1 part in 20 parts water.
