PRODUCT INFORMATION SHEET

MILDEW & FUNGUS CLEANER

Mildew and Fungus cleaner is a high performance alkaline cleaner specifically designed for cleaning mould and mildew from various surfaces.

Mildew and Fungus Cleaner contains a high performance germicidal agent designed to kill various positive and negative gram bacteria including mould and mildew. Mildew and Fungus cleaner can be effective in removing mould from surfaces such as tiles and grout in showers and washrooms. Mildew and Fungus cleaner offers a bleach and chlorine free solution to those difficult mould problems.

FEATURES & BENEFITS

- Contains no bleaches or chlorines
- No overpowering scent
- Effective mould killer
- Ideal for showers and washrooms

FIRST AID & SAFETY

Considered a hazardous product as highly alkaline. Avoid contact with skin and eyes. Wear gloves and eye protection when handling. Keep out of reach of children. If swallowed seek medical advice. If poisoning occurs contact a Doctor or the Poisons Information Centre. If swallowed do NOT induce vomiting, give water. If skin contact occurs wash affected area and remove clothing. If in eyes, hold eyes open and flood with water for a minimum of 15 minutes. Call a Doctor. Refer to Safety Data Sheet for more information.

DIRECTIONS FOR USE

Recommended Dilution: 50mls per litre of water.

Apply and leave on surfaces for extended periods to allow mould to be killed at all spores. Rinse with fresh water after a period of around 10-15 minutes and rinse well with water. Do not leave on aluminium or painted surfaces for extended period as a discolouration may occur.

Always test on a small area prior to use to ensure results are desired.
