

NOWCHEM GREEN FLOOR CLEANER

Nowchem Green Floor Cleaner is a low foaming neutral detergent for the cleaning of hard surfaces such as timber floors, tiles, vinyl, epoxy and other flooring.

Its low foaming characteristics promote less tackiness and provide excellent cleaning properties whilst being pH neutral to ensure no unwanted damage occurs to sensitive flooring such as bamboo or parquet. Floor cleaner has a pleasant mix of natural extracts to leave flooring looking clean and smelling pleasantly fresh whilst being good on the surface and gentle on the environment.

FEATURES & BENEFITS

Contains environmentally friendly ingredients

Ideal for septic systems and onsite water management systems

Versatile and safe on most surfaces

Fresh fragrance with multiple uses

FIRST AID & SAFETY

Avoid long term contact with skin and eyes. Wear light protective gloves and eye protection when handling undiluted. Do not mix with other chemicals. Ensure PPE is worn during drum changeovers on dosing equipment in case of splashing. If swallowed do NOT induce vomiting, give water. If skin contact occurs wash affected area and remove clothing. If in eyes, hold eyes open and flood with water for a minimum of 15 minutes. Call a Doctor. Refer to Safety Data Sheet for more information.

DIRECTIONS FOR USE

Dilute solution 35mls/litre with warm water and mop surfaces. If streaks appear dilute higher to around 20mls/litre. Solution is environmentally safe and can be disposed of down drains once used. Ensure mops are clean and dry before use. Use microfibre for best results.

Product can be used in a floor scrubber at 10mls/litre.
