

STAINLESS STEEL CLEANER

Stainless Steel Cleaner is ready to use cleaner and rejuvenator for use on stainless steel surfaces such as refrigerators, freezer doors, trolleys, dishwashing machines and other stainless steel surfaces not used for the preparation of food.

The special blend of oil and solvent provides effective removal of water and finger spots and leaves a long lasting shine on the surfaces.

FEATURES & BENEFITS

Cleans and rejuvenates stainless steel

Non-corrosive

Leaves stainless steel mark free with high shine

DIRECTIONS FOR USE

For use on all Stainless Steel Kitchen Surfaces, shake well before use to ensure ingredients are mixed well.

Place small amount onto a lint free cloth such as microfibre and rub surface till high shine appears. Ensure food contact surfaces are rinsed with fresh water and detergent prior to food contact.

FIRST AID & SAFETY

Considered a hazardous product. Avoid contact with skin and eyes. Wear gloves and eye protection when handling. Keep out of reach of children. If swallowed seek medical advice. If poisoning occurs contact a Doctor or the Poisons Information Centre. If swallowed do NOT induce vomiting, give water. If skin contact occurs wash affected area and remove clothing.
