

NOWCHEM GREEN MULTI-PURPOSE CLEANER

Nowchem Green Multi-Purpose Cleaner is a powerful natural based formula which will attack floors, walls, tiles, toilets and more by offering unique surfactants and cutting fats and grease left on hard surfaces.

This liquid replaces older alkaline/phosphate based systems which can cause damage to your machine and associated seals and pumps and also can be irritating to sensitive skin types. Made using the latest technology available in ingredients this product is not only sourced from plant based materials but also is safer to store and use.

FEATURES & BENEFITS

-  Highly Concentrated natural grease cutting properties
-  Ideal for septic systems and onsite water management systems
-  Versatile and safe on most surfaces
-  Fresh fragrance with multiple uses

DIRECTIONS FOR USE

For best results dilute 10mls/litre with water and apply to surfaces via a spray bottle and wipe over or scrub with a suitable scrubbing pad or brush, allow to dry or rinse with fresh water prior to food service. If surface remains tacky use at a higher dilution rate up to 30mls/litre.

Not to be used for any other purpose. Do not mix with other chemicals.

FIRST AID & SAFETY

Product is mildly alkaline. Avoid contact with skin and eyes. Wear protective gloves and eye protection when handling undiluted. Do not mix with other chemicals. Ensure PPE is worn during drum changeovers on dosing equipment in case of splashing. If poisoning occurs contact a Doctor or the Poisons Information Centre. If swallowed do NOT induce vomiting, give water. If skin contact occurs wash affected area and remove clothing. If in eyes, hold eyes open and flood with water for a minimum of 15 minutes. Call a Doctor. Refer to Safety Data Sheet for more information.
