

## NOWCHEM GREEN STAIN REMOVER

Nowchem Green Stain Remover is made from biodegradable ingredients using oxygen activated bleaching agents and natural surfactants.

This pleasant lemon crisp scented stain remover is strong at killing associated bacteria found on fabrics and has excellent cleaning properties to help remove stains.

### FEATURES & BENEFITS

-  Contains Hydrogen Peroxide to control bacteria
-  Ideal for septic systems and onsite water management systems
-  Versatile and safe on most surfaces
-  Fresh fragrance with multiple uses

### DIRECTIONS FOR USE

For best results dilute 5mls/litre with water and apply to stained surfaces via a spray bottle. Allow to penetrate fabrics for 20 mins then add to washing machine using normal wash and detergent.

### FIRST AID & SAFETY

Avoid contact with skin and eyes. Wear protective gloves and eye protection when handling undiluted. Do not mix with other chemicals. Ensure PPE is worn during drum changeovers on dosing equipment in case of splashing. If swallowed do NOT induce vomiting, give water. If skin contact occurs wash affected area and remove clothing. If in eyes, hold eyes open and flood with water for a minimum of 15 minutes. Call a Doctor. Refer to Safety Data Sheet for more information.
