

NOWCHEM GREEN WASHING UP DETERGENT

Nowchem Green Washing up Detergent is a fully biodegradable phosphate free washing up detergent for the washing of kitchen utensils, crockery, cutlery, trays and other items when hand washing.

It has a pleasant grapefruit fragrance and a pH neutral formula making it very safe and gentle on hands and sensitive skin. Washing Up Detergent can also be used as an everyday detergent for wiping tables and hard surfaces.

FEATURES & BENEFITS

-  Contains environmentally friendly ingredients
-  Ideal for septic systems and onsite water management systems
-  Versatile and safe on most surfaces
-  Leaves fresh fragrance

DIRECTIONS FOR USE

Add 100ml of liquid per load in standard Kitchen Sink.

Add 125-200ml of liquid in larger sinks or commercial applications to ensure suspension.

Note: dosage will vary on load size and soiling.

Not to be used for any other purpose. Do not mix with other chemicals.

FIRST AID & SAFETY

Avoid contact with skin and eyes. Wear protective gloves and eye protection when handling undiluted. Do not mix with other chemicals. Ensure PPE is worn during drum changeovers on dosing equipment in case of splashing. If poisoning occurs contact a Doctor or the Poisons Information Centre. If swallowed do NOT induce vomiting, give water. If skin contact occurs wash affected area and remove clothing. If in eyes, hold eyes open and flood with water for a minimum of 15 minutes. Call a Doctor. Refer to Safety Data Sheet for more information.
