

NOWCHEM GREEN RINSE AID

Nowchem Green Rinse Aid is a highly concentrated drying agent especially formulated to aid in the drying of crockery, glasses and cutlery in automatic dishwashing units.

Rinse Aid contains an anti-crazing agent to help keep your glasses from clouding and to keep your cutlery sparkling, saving time on polishing. Rinse Aid improves drying time and allows for greater speed of service in commercial kitchens.

FEATURES & BENEFITS

Highly Concentrated for economical use

Streak Free Results
