PRODUCT INFORMATION SHEET

SOLVESSO 150

Solvesso 150 is a clear flammable liquid hydrocarbon solvent with a high flashpoint designed for use as a general parts wash cleaning solvent or is ideal for use in workshop parts wash baths and reticulated parts wash bins.

Solvesso 150 does not easily evaporate making it last for longer periods rather than low flashpoint solvents which tend to evaporate. Solvesso 150 is also commonly used on inks and resins/glues as well as degreasing applications, it can also be used as a paint thinner and is a versatile high flash point industrial solvent degreaser.

FEATURES & BENEFITS

- Safe in Reticulated Parts Washers
- Ideal on metals and industrial parts and printing applications
- Removes oils, grease, and brake fluids and inks
- Dries relatively clean

DIRECTIONS FOR USE

Spray onto surfaces or submerge dirty items into a wash bath, brush with suitable brush or wipe with a saturated cloth/rag until desired results are achieved. Re apply with clean fluid until desired outcome is achieved. Follow manufacturers recommendations when using in reticulated parts wash bins. Keep away from naked flames, ignition sources and hot engine components. Ensure products are fully dried before use.

FIRST AID & SAFETY

Do not use or store near naked lights or flames, smoking or ignition sources. Where exposure to liquid or vapour may occur wear PVC gloves and chemical goggles. Do NOT use in enclosed areas, use in well ventilated areas. Considered a hazardous product. Avoid contact with skin and eyes. Wear gloves and eye protection when handling. Keep out of reach of children. If swallowed do NOT induce vomiting, seek medical advice - immediately call a POISON CENTER or doctor/ physician. If skin contact occurs wash affected area and remove clothing. If in eyes, hold eyes open and flood with water for a minimum of 15 minutes. Call a Doctor.

Class 3 **Risk: Flammable**

PACK SIZES

Size	Code
20L	NCS15020
200L	NCS150200

Not to be used for any other purpose. Do not mix with other chemicals.
