

MARINE BREEZE CLEANER & DISINFECTANT

Marine Breeze Disinfectant is pH neutral and safe to use on most surfaces where sanitation is required including floors, hard surfaces and washroom areas such as toilet seats, tapware and basins.

Nowchem Marine Breeze disinfectant contains a minimum 2% benzalkonium chloride which provides effective sanitation across a wide range of bacteria and has a pleasant neutral fragrance which is ideal for hard surfaces in common areas.

FEATURES & BENEFITS

Concentrated formula for economical use

Subtle fragrance

Sanitises, cleans and deodorises

Safe on most surfaces

DIRECTIONS FOR USE

Recommended Dilution: 50mls per litre of water.

Can be applied with a cloth or used in a spray and wipe application through a spray bottle. When mopping dilute 40mls/litre of warm water and mop this will help avoid sticky residues.

FIRST AID & SAFETY
