

PRO FLIGHT

Pro Flight is a high-performance chlorinated dish machine detergent.

Pro Flight is formulated for commercial dish machines and can be used in both door and conveyor type (flight) machines. Pro Flight is ideal in café's, restaurants, bar areas, commercial kitchens and can also be used in food manufacturing facilities on items such as crate washers and large dishwashers in the commercial food preparation sector.

FEATURES & BENEFITS

Highly Concentrated for economical use

Chlorinated to remove stains such as coffee and lipstick

Versatile use in domestic or commercial machines

Saves time and money

DIRECTIONS FOR USE

For best results use in- conjunction with an automatic dispenser. If the dish machine unit is not equipped with an automatic dispenser then the product may be hand dosed. For initial fill add 125mls (1/2 cup) per 10L of water into the wash tank. Then to maintain add 20ml (1 tablespoon) of liquid every 3 washes.

For best results ensure that the tank is emptied and cleaned at the end of each shift.

For best results use in conjunction with Nowchem Rinse Aid to assist in streak free drying of plates, glassware and cutlery.
