

## TARGO

**Targo is a bitumen and tar remover for use on various surfaces including painted and metal surfaces affected by bitumen and tar deposits.**

Targo contains a special blend of solvents and detergent to aid in the removal of tar and road grime from trucks and cars, plant equipment, road laying machines and other pieces of equipment which require cleaning. Targo contains flammable ingredients so please use with caution.

### FEATURES & BENEFITS

-  Powerful Cutting Performance
-  Ideal on plant equipment and road maintenance vehicles.
-  Contains specialized blend of detergents to emulsify deposits
-  Safe on most surfaces including paint, rubber and metals

### DIRECTIONS FOR USE

Apply neat to painted or metal surfaces and allow 3-5 minutes contact time, brush well with a paint brush or degreasing brush to remove stubborn deposits, then rinse off using a hose or pressure cleaner. Avoid sources of ignition as product is flammable and please always test on small areas to ensure desired before large area usage. Use gloves and eye protection.

### FIRST AID & SAFETY

Considered a hazardous product as product is flammable. Avoid contact with skin and eyes. Wear gloves and eye protection when handling. Keep out of reach of children. If swallowed seek medical advice. If poisoning occurs contact a Doctor or the Poisons Information Centre. If swallowed do NOT induce vomiting, give water. If skin contact occurs wash affected area and remove clothing. If in eyes, hold eyes open and flood with water for a minimum of 15 minutes. Call a Doctor. Refer to Safety Data Sheet for more information.
